Mr. David Marks
Baltimore County Councilman, District 5
400 Washington Avenue
Towson, Maryland 21204

Dear Councilman Marks,

As Maryland state delegates representing District 7A, we write to express our **strong support** for the proposed new Baltimore County library branch in Middle River/Greenleigh. This initiative will benefit our constituents by addressing a critical need for expanded educational, cultural, and community resources.

Libraries connect a community in a way that benefits everyone. The Middle River/Greenleigh area is experiencing growth and the demand for library services continues to grow as well. A new library branch could serve as a hub for collaboration and foster a love of learning for all age groups. The new branch could host workshops, cultural events, and community meetings, creating a shared space for connection and enrichment.

We urge you to approve and prioritize this project recognizing the impact it will have on our community. As state delegates, we are fully committed to supporting this endeavor and stand ready to assist in securing the resources necessary.

Thank you for your consideration of this critical project.

Sincerely,
